

**Get \$500
towards a secure
payment solution**

Enroll with Mercury and we'll help you pay for hardware/software security upgrades

Did you know that 80% of data security attacks happen at small businesses?¹ Your business is not too small to be a target - and it's not too small to get the protection to thwart an attack.

Protect your customer's data from getting into the wrong hands with an easy-to-implement, bundled security solution that can help you reduce fraud, transmit card data safely and simplify the PCI compliance process.

All backed by 24/7 customer support for your peace of mind.

Contact your POS Reseller to get started today!
