Setting up auto transfer of sales data from V7 Polling to V8 AIMsi Inventory

(Configuration of AIMsiSalesUpdate.exe)

Before beginning, make sure that all your preferences are set correctly within V7 Polling | Preferences | AIMsi Inventory Link. It is recommended to conduct at least 1 manual transfer of a sales report prior to configuring the auto transfer system. Users should also to configure their V7 Calendar polling prior to implementing the V8 Inventory auto transfer routine.

1. Go to Windows Start and the choose Control Panel as shown above.

2. Open Scheduled Tasks, by double-clicking on the icon shown above.

3. Open Add Scheduled Task as shown above.

4. The Scheduled Task Wizard will appear as above, click next.
